It is to be regretted, owing to the Banns Book containing the entries of Banns from 1841 to 1860 having been mislaid or lost in the time of the

previous Rector and Clerk, that the Publication of Banns, as to which the Register contained no corresponding entry of Marriages, is therefore unable to be printed.

All the Registers are in good condition and are kept, with Registers I and II, in an iron safe in the vestry of St. Stephen's Church, Walbrook.

Space has been saved in the printing by using such abbreviations as are customary. Anything within brackets, thus [ ], will be understood as explanatory additions by the Editors.

The thanks of the Society are due to the Rector of the united parishes, the Revd. Robert Stuart de Courcy Laffan, M.A., for his kind permission to print the Registers; also to the respective Churchwardens of St Stephen's, Walbrook, and St. Benet Sherehog, and to the Parish and Vestry Clerk (H. McClintock Harris, Esq.), for the facilities of access to the Registers that he has at all times so courteously afforded to the Editors.

A List of the Rectors of St. Stephen's, Walbrook [1315—1861], and St. Benet Sherehog [1284—1662], will be found in "Novum Repertorium Ecclesiasticum Parochiale Londinense," by the Rev. George Hennessy, B.A., published in London in 1898.
